

## Pastoral Care Team Collection for Ukraine

The Pastoral Care Team have been inspired by one of our members Tony and his brother Louis, who have organised a collection of supplies for people who are being forced to flee Ukraine.

We have all been moved by the scenes we have witnessed in the news over the last few days. We would like to help others less fortunate than ourselves, in our role as global citizens.

If you would like to contribute to the Pastoral Care Team's collection, please send some of the following items into school by Friday 4<sup>th</sup> March.

- Non-perishable foods (energy bars, cereals, dried fruits etc.)
- Toiletries (toothpaste, brushes, deodorants, wipes etc.)

- Nappies

- First aid supplies

Pupils can take items into school and drop at the collection box at the front office.

We appreciate you considering this worthy cause.

Many thanks,  
Pastoral Care Team
